

*Seeing God Through the Lens*  
**Lakeshore's Youth Photography Retreat**  
 April 9-11, Ages 12-18  
 Cost: \$84

Do you appreciate God's beauty in the small things around you? Do you appreciate good photography? Do you own a camera but don't feel like you use it to its potential? Come immerse yourself in photography for an entire weekend, and you'll be surprised at how often you'll see God. We will explore the origins of photography by building pinhole cameras and, of course, making the most of our digital cameras. Whatever level of photographer you consider yourself, you're sure to walk away from this retreat a better one.
